WHEREAS, the New York State Department of Health ("the Department") has made findings based upon inspections of the Absolut Center for Nursing and Rehabilitation at Houghton ("the Facility"); and

WHEREAS, the Department completed its inspections of the Facility on December 4, 2015; and

WHEREAS, the Department's inspection findings included alleged violations of Public Health Law (PHL) Article 28 and 10 NYCRR Part 415; and

WHEREAS, prior to commencement of administrative enforcement action based upon the alleged violations by service of a Notice of Hearing and Statement of Charges, the Department and the Respondent engaged in settlement discussions; and

WHEREAS, the parties wish to resolve this matter by means of a settlement instead of an adversarial administrative hearing.

NOW, THEREFORE, IT IS STIPULATED AND AGREED AS FOLLOWS:

1. This matter is settled and discontinued with prejudice. The Department shall not pursue administrative enforcement action against the Respondent pursuant to PHL Article 28 and 10 NYCRR Part 415 in connection with the Department's findings based upon the inspections completed on December 4, 2015.

2. The Respondent admits that substantial evidence of violations of 10 NYCRR Part 415 existed under the citations set forth in the attached addendum. The foregoing admission made by the Respondent is solely for the purpose of resolving the instant administrative matter and is not intended for use in any other forum, tribunal or court. Any such admission is without prejudice to the Respondent's rights, defenses and claims in any other matter, proceeding, action, hearing or litigation not involving the Department. It is agreed that the foregoing admission is not intended to be used dispositively or otherwise, regarding any allegations of medical malpractice, personal injury and/or negligence that may be made in a civil action for monetary damages.

3. The Respondent shall pay a civil penalty of Twelve Thousand Dollars (\$12,000) within 30 days after the effective date of this Stipulation and Order. This includes, but is not limited to, the imposition of interest, late payment charges and collection fees, referral to the New York State Department of Taxation and Finance for collection, and non-renewal of permits or licenses [Tax Law § 171(27); State Finance Law § 18; CPLR § 5001; Executive Law § 32].

4. Nothing herein contained shall be construed to preclude the Department from pursuing any and all sanctions or remedies authorized by the Public Health Law against any individual employed by or practicing in association with the Facility for any violations identified during the inspections referred to herein. Such sanctions and remedies may include, but are not limited to, administrative proceedings brought pursuant to PHL § 2803-d (relating to patient abuse, mistreatment, or neglect), PHL § 230 (relating to professional medical conduct) and PHL Article 28-D (relating to the practice of nursing home administration). A copy of this Stipulation and Order shall be sent to the Bureau of Nursing Home Administrator Licensure for whatever action, if any, it may deem appropriate.
